General Education Transfer Guide

Washtenaw Community College

This guide lists WCC courses that meet requirements in EMU's [general education program](#). Students who transfer with the [Michigan Transfer Agreement \(MTA\)](#)[†] will have satisfied Effective Communication, Quantitative Reasoning, and Knowledge of the Disciplines and only need to complete the Perspectives on a Diverse World, Learning Beyond the Classroom, and Writing Intensive requirements (see the [General Education Transfer Guidelines](#).) A grade of [C/2.0 is required](#) for transfer credit.

See EMU's [Undergraduate Catalog](#) for [academic policies](#) and [program requirements](#).

EMU course equivalencies are available on the [Michigan Transfer Network \(MTN\)](#) or [EMU's equivalency list](#). Requests for consideration of a course not listed below may be submitted by your advisor.

Complete one approved course determined by your [major](#).

This requirement must be completed at EMU.

‡ The Michigan Transfer Agreement satisfies specific general education requirements, but does not exempt prerequisite, program, or degree requirements.

Students are encouraged to select courses that satisfy both general education and program requirements where possible. An advisor can assist in identifying appropriate options.

* The same course cannot be applied to more than one general education requirement.
